

## Prof. (Dr.) R.K. Choudhary

---

**Prof. (Dr.) R.K. Choudhary** is a distinguished academician and administrator in the field of Computer Science and Engineering, currently serving as the Vice-Chancellor of Venkateshwara Open University, Itanagar. With an extensive academic background including a Ph.D. and Post-Doctoral research from Bournemouth University, UK, he has held key leadership roles such as Vice-Chancellor of APG Shimla University and Pro Vice-Chancellor at SAGE University, Indore. His research interests lie in software engineering and fault-tolerant computing, areas in which he has authored acclaimed publications with Lambert Academic Publishing and Springer. A respected member of global academic bodies like IEEE, ACM, and the Chinese Association for Artificial Intelligence, Dr. Choudhary has also represented India in multiple EU-funded Erasmus Mundus research projects. He is a prolific editor, conference organizer, and founder of a peer-reviewed international journal, contributing significantly to the global discourse in intelligent systems and computing.

## Dr S K Bhogal

---

**Dr. S. K. Bhogal** is a distinguished academician and institutional leader with over 25 years of experience in education, research, administration, and strategic development. With more than 17 years dedicated to management education, he has played a pivotal role in teaching, curriculum design, content development, and industry collaboration. Dr. Bhogal has successfully established and developed four institutions/campuses, overseeing infrastructure, academic setups, and regulatory approvals. He currently serves as the Registrar of Venkateshwara Open University, Arunachal Pradesh, and has held senior academic positions such as Dean and Director at renowned institutions including Shri Venkateshwara University, G.C.R.G. Group, IILM Business School, and Rama Institute of Business Studies. He holds multiple postgraduate degrees and a Ph.D. in Economics, and has guided 17 Ph.D. scholars. Recognized internationally for his academic contributions, Dr. Bhogal is a recipient of multiple honors from the American Biographical Institute and has undergone faculty training in Holland. His core interests include Managerial Economics, Business Statistics, and E-Business, with a strong passion for building world-class institutions and shaping future leaders.

## Dr. Arun Kumar Choudhary

---

Dr. Arun Kumar Choudhary is an accomplished academician and administrator with over 22 years of experience in teaching, research, and institutional leadership in the field of Computer Science and Engineering. Holding a Ph.D. in Software Engineering, along with an M.Tech in Information Technology and M.Sc. in Physics, he has held prominent positions such as Dean of Engineering and Sciences, Principal, Professor, and Head of Department at reputed institutions including APG Shimla University, NIET Alwar, and NIMS University. He has contributed extensively to academic literature through numerous national and international publications, authored books, and completed a government-sponsored research project under the Ministry of Environment & Forests. Dr. Choudhary is also certified in several emerging areas such as Cloud Computing, Cyber Security, Artificial Intelligence, and Algorithm Design through IITs and government bodies. He combines strong academic knowledge with a strategic vision for higher education, making him a valuable leader in both academic and technical spheres.

## Dr. Nidhi Saxena

---

Dr. Nidhi Saxena is a committed academician and researcher with a Ph.D. in Zoology from Rajasthan University, where she focused her research on butterfly diversity and bio-ecology, particularly within the ecologically significant Keoladeo National Park. Her work contributes to the growing scientific understanding of Lepidoptera and their environmental roles. With over eight years of experience in higher education, administration, and content development, Dr. Saxena brings a multidisciplinary perspective to her academic endeavors.

She has held positions as a lecturer in nursing and biotechnology colleges and has also worked as a science teacher and administrator in reputed schools. Her research has been presented at national conferences and published in respected journals, emphasizing her active participation in the scientific community. In addition to her academic pursuits, Dr. Saxena possesses strong skills in vendor and OEM management, backend operations, and academic counseling. Her approach is marked by a passion for continuous learning, effective communication, and a drive to contribute meaningfully to education and research.

## Gebi Basar

---

**Gebi Basar** is a dynamic management educator and research scholar with a strong foundation in both corporate and academic spheres. She holds an MBA with dual specializations in Human Resource Management and Finance, and is currently pursuing a Ph.D. at the North Eastern Regional Institute of Science and Technology (NERIST), focusing on the intersection of Human Resource Management and Environmental Science. Her academic journey reflects a commitment to interdisciplinary research and sustainability in business practices.

Ms. Basar has significant experience in teaching MBA students, where she brings practical corporate insights into the classroom to enhance student learning. Her professional background includes roles in corporate HR training and project coordination under the United Nations Development Programme (UNDP), highlighting her engagement with development-oriented initiatives and global organizational standards.

## Rani Cheda

---

**Rani Cheda** is an emerging academic in the field of geography, known for her dedication to research and education. She holds an M.A. and M.Phil in Geography from Rajiv Gandhi University and has successfully qualified the UGC-NET, a testament to her academic commitment and scholarly capabilities. Her academic journey reflects a focused pursuit of excellence in human and environmental geography, areas critical to understanding today's complex spatial and ecological challenges.

Rani is passionate about contributing meaningfully to the teaching-learning process and is actively preparing for a long-term career in academia. Her educational background provides her with a strong foundation in geographical theory and research methodology, enabling her to engage deeply with both students and subject matter. With a clear vision for her future, Rani Cheda combines scholarly promise with a strong work ethic and a genuine interest in fostering academic growth. Her dedication positions her as a valuable contributor to the future of geographic education and research.

## Taj Aniya

Taj Aniya is a dedicated educator and scholar in the field of English Literature, known for her thoughtful and student-focused approach to teaching. She holds an M.Phil in English from Venkateshwara Open University and a Master's degree from Himalayan University, building on her academic foundation with a B.A. in English Literature from Dera Natung Government College. Her academic path reflects a deep and consistent commitment to literary studies.

With experience teaching both undergraduate and postgraduate students at Venkateshwara Open University, Taj brings a dynamic and engaging perspective to the classroom. She is passionate about nurturing students' analytical and communication skills through literature, encouraging them to explore diverse perspectives and develop critical thinking. Her teaching style is marked by clarity, empathy, and an eagerness to inspire intellectual curiosity.

## Yangki Pertin

Yangki Pertin is a committed and aspiring educator in the field of commerce, with a strong academic background and a passion for teaching. She holds a Master's degree in Commerce from Rajiv Gandhi University and a Bachelor's degree from the esteemed Ramjas College, University of Delhi. Her qualification in the UGC-NET further affirms her academic excellence and preparedness for a career in higher education.

In addition to her academic achievements, Yangki possesses a certificate in Advanced Computer Applications from NIELIT, equipping her with essential technical skills for modern teaching and administrative functions. Her proficiency in digital tools enhances her effectiveness in both classroom instruction and academic coordination.

Yangki is deeply passionate about education and is dedicated to empowering students with the knowledge and skills needed to thrive in a competitive global environment. Her interest in creative and adventurous activities reflects a well-rounded personality, making her a dynamic presence in academic settings. With a blend of academic rigor, technical capability, and an engaging approach to learning, Yangki Pertin stands out as a promising educator ready to contribute meaningfully to the academic community.

# Likha Taje

---

Likha Taje is a motivated and versatile professional whose diverse academic and professional background reflects a unique blend of scientific knowledge and managerial expertise. He holds a B.Sc. in Chemistry from Dera Natung Government College and a Master's degree in Tourism and Travel Management from IGNOU, showcasing his interdisciplinary interests and adaptability.

Likha brings practical experience from his role as a Technical Assistant in a DBT-sponsored research project in the Chemistry Department at DNGC, where he gained valuable insights into laboratory work and project coordination. He has also held managerial positions in the private sector, demonstrating his competence in organizational and operational roles.

Currently serving as a Guest Faculty at Venkateshwara Open University, Likha integrates academic instruction with administrative efficiency. His proficiency in computer applications and typewriting enhances his ability to handle both teaching and back-office responsibilities effectively. Known for his leadership skills, adaptability, and enthusiasm, Likha Taje thrives in dynamic environments and is committed to continuous learning and professional growth. His well-rounded profile makes him a valuable contributor to academic and institutional settings alike.

# Rinyam Likha

---

Rinyam Likha is a qualified and dedicated professional in the field of Library and Information Science, with a robust academic and technical foundation. She holds a B.A. in Political Science from the prestigious Scottish Church College, Kolkata, and has further specialized with both Bachelor's and Master's degrees in Library Science from Himalayan University, Itanagar. Her academic competence is further underscored by her success in clearing the UGC-NET in November 2020.

Rinyam is well-versed in modern library systems, holding a certification in the KOHA Library Management System—an essential tool for efficient and technology-driven library operations. Additionally, she has completed a Diploma in Computer Applications, enhancing her ability to manage digital information resources and library databases effectively.

Her educational and technical qualifications make her a well-rounded candidate for roles in academic and institutional libraries. With a strong grasp of both traditional library practices and contemporary digital tools, Rinyam Likha is poised to contribute meaningfully to knowledge management, resource organization, and user support in educational and research settings.

## Dr. Sajid Ali

---

**Dr. Sajid Ali** is a distinguished academician and researcher specializing in Organometallic and Organic Chemistry, with more than 12 years of teaching experience and over five years dedicated to research. He earned his Ph.D. from C.C.S. University, Meerut, where he focused on the synthesis and characterization of transition metal complexes—an area in which he has published extensively in reputed national and international journals.

Dr. Ali has held several key academic and administrative positions, including Head of Department and Head of the Examination Committee, demonstrating his leadership and organizational capabilities in higher education settings. His teaching portfolio spans both university-level education and coaching for competitive examinations, reflecting his versatility and commitment to academic excellence.

In addition to his teaching and administrative roles, Dr. Ali is actively supervising Ph.D. scholars, contributing to the advancement of research in synthetic organic chemistry, molecular modeling, and coordination chemistry. He is proficient in using advanced scientific instrumentation, further enhancing his research capabilities. Recognized with multiple academic awards, Dr. Sajid Ali continues to make impactful contributions to the field of chemistry through his teaching, research, and mentorship.

## Dr. Akhilesh Kumar Verma

---

**Dr. Akhilesh Kumar Verma** is a seasoned academic and researcher in the field of management studies, with a distinguished career spanning over 15 years. He holds a Ph.D. from the Faculty of Management Studies at Banaras Hindu University, where he specialized in organizational transformation within IT SMEs. His academic expertise covers a broad spectrum of subjects, including Financial Management, Business Statistics, and Research Methodology, which he has taught at both undergraduate and postgraduate levels.

Dr. Verma's contributions extend beyond the classroom, encompassing academic leadership and key administrative roles such as examination control and curriculum development. His scholarly work includes numerous publications in refereed journals and contributions to edited volumes focusing on themes like contemporary management practices, rural development, and financial literacy.

In addition to his academic credentials, Dr. Verma brings valuable industry experience in sales and management training, enriching his teaching with practical insights. He is also an active member of several professional associations and regularly participates in national and international conferences. His career reflects a deep commitment to academic excellence, applied research, and continuous professional development, making him a respected figure in the field of management education.

# Dr. Ankita Bajpai

---

**Dr. Ankita Bajpai** is a committed academic and social science researcher with a Ph.D. in Management from Doon University, Dehradun, funded by the Indian Council of Social Science Research (ICSSR). Her expertise lies in Human Resource Management and Entrepreneurship, with a particular focus on the behavioral and structural dimensions of small and medium enterprises (SMEs).

Dr. Bajpai has extensive experience teaching BBA and MBA students, mentoring research projects, and contributing to academic development. She has actively participated in several nationally and internationally sponsored research initiatives, exploring themes such as entrepreneurial competencies and the vulnerabilities of small-scale industries. Her scholarly work has been presented at various conferences and published in reputed journals, reflecting her academic depth and engagement with real-world economic issues.

With hands-on proficiency in SPSS and strong capabilities in data analysis, report writing, and project management, Dr. Bajpai complements her academic pursuits with technical skill and analytical acumen. Her involvement on editorial boards further demonstrates her dedication to scholarly excellence. Through her interdisciplinary approach and practical insights, she continues to contribute meaningfully to management education, research, and policy discourse.

# Dr. (Prof.) Prahlad Prasad

---

Dr. (Prof.) Prahlad Prasad is a seasoned academic leader and educator with over 15 years of dedicated service in the field of teacher education. Currently serving as the Principal of ABS Academy, Durgapur since 2019, he has previously held influential academic positions at Bijoy Pal Memorial B.Ed. College and Vidyapati B.Ed. College, where he played a vital role in shaping institutional standards and teacher training programs.

Dr. Prasad holds a Ph.D. in Education from Mahatma Gandhi Kashi Vidyapith and has earned dual postgraduate degrees—an M.A. in Hindi and an M.Ed.—demonstrating his interdisciplinary academic strength. His deep understanding of pedagogical theory, combined with practical leadership experience, positions him as a key figure in advancing teacher education in India.

Fluent in Hindi, English, and Bengali, Dr. Prasad brings cultural and linguistic sensitivity to his leadership roles, fostering inclusive learning environments. His career is marked by a sustained commitment to academic development, faculty mentoring, and institutional governance, making him a respected voice in the field of education.
